About this catalog

The pantry book: shelf-stable groceries - baking products and flours, spices and seasonings, sauces, dry pastas and rice, canned goods, coffee & tea, shelf-stable juices and drinks, snacks, cereals, oils and shortenings, and the gourmet and specialty lines - rebuilt from the Dry Catalog with two families moved out into their own books: disposables are now the Disposable Catalog and cleaning, janitorial and smallwares lines are the Maintenance Catalog. Prepared refrigerated lines that belong to no other family (chilled juices & beverages, chilled dressings and condiments) also live here, as do the four shelf-stable items filed under fresh-produce categories in the stock list. Where a category carries both frozen and shelf-stable lines, the frozen lines are in the Frozen Foods Catalog; each SKU appears in exactly one catalog. Every row keeps its own temperature mark. Listings are grouped by category, then brand, then description.

TEMPERATURE

FRZ ships and stores frozen.

CHILL ships and stores refrigerated.

DRY shelf-stable. The Temp column marks every row.

STATUS

Active - stocked in the warehouse.

Non-Stock Cross Dock - order-only; the item moves through on order rather than sitting in stock.

READING A ROW

One row per SKU. Where a product is sold in more than one unit, the UM column lists them together (for example CS, EA) and Pack / Size show each unit's values in the same order. No prices are printed in this catalog - pricing is quoted at order time.

What's inside

Catalog	Listings	Categories	Active	Non-Stock Cross Dock
Dry Groceries Catalog	3,405	86	885	2,520

The category index on the next pages lists every category with its item count and the page where it starts. Every product Merchants Market carries appears in exactly one of the eight catalogs: Meat & Poultry, Seafood, Produce, Dry Groceries, Dairy, Frozen Foods, Disposable and Maintenance.

Ordering from this catalog

Quote the SKU and description exactly as printed when ordering. **Active** items are stocked; **Non-Stock Cross Dock** items are order-only, so allow for order lead time on those lines. Pack and Size are shown per unit of measure - where a row lists more than one UM, the values follow the same order as the UM column.

This is one of eight Merchants Market catalogs - Meat & Poultry, Seafood, Produce, Dry Groceries, Dairy, Frozen Foods, Disposable and Maintenance. Every product appears in exactly one catalog. No prices are printed here; pricing is confirmed at order time.
