About this catalog

Every center-of-plate protein Merchants Market carries is in this catalog: beef (steaks, box beef, portion control, ground), pork, bacon, ham, sausages and frankfurters, chicken and poultry in all forms, turkey, lamb and veal, the full deli program - sliced and full-muscle deli meats, Dietz & Watson deli lines and frozen deli meats - plus canned meats & entrees, meat pates and Lunchables. Seafood has its own catalog; everything here is grouped by category in alphabetical order, then by brand and description. Rows keep their own temperature mark (FRZ / CHILL / DRY) - deli and fresh lines ship refrigerated, most center-of-plate lines ship frozen.

TEMPERATURE

FRZ ships and stores frozen.

CHILL ships and stores refrigerated.

DRY shelf-stable. The Temp column marks every row.

STATUS

Active - stocked in the warehouse.

Non-Stock Cross Dock - order-only; the item moves through on order rather than sitting in stock.

READING A ROW

One row per SKU. Where a product is sold in more than one unit, the UM column lists them together (for example CS, EA) and Pack / Size show each unit's values in the same order. No prices are printed in this catalog - pricing is quoted at order time.

Ordering from this catalog

Quote the SKU and description exactly as printed when ordering. **Active** items are stocked; **Non-Stock Cross Dock** items are order-only, so allow for order lead time on those lines. Pack and Size are shown per unit of measure - where a row lists more than one UM, the values follow the same order as the UM column.

This is one of eight Merchants Market catalogs - Meat & Poultry, Seafood, Produce, Dry Groceries, Dairy, Frozen Foods, Disposable and Maintenance. Every product appears in exactly one catalog. No prices are printed here; pricing is confirmed at order time.
